TECHNOLOGY CENTER R3700

PRELIMINARY AMENDMENT

Commissioner of Patents
Washington, DC 20231

Sir:

Prior to examination kindly amend the above-identified patent application as follows:

IN THE CLAIMS

Kindly cancel Claim 1 without prejudice.

Kindly add the following new Claims 29-52:

29. (New) A cannula for the collection of exhaled gases from a patient having nostrils, and for the supply of oxygen to the patient, comprising:

a tube having at least one of a first nasal prong for the collection of said exhaled gases from the patient;

at least one oxygen delivery tube configured to be located near the nostrils

of the patient; and
